

It is a requirement that the band has permission from the parent of members who are under 18 for them to be photographed.

WYFRS band uses photographs which could be distributed in many different types of media for promotion including programmes, leaflets and posters. They may also be circulated to the media.

The photographs may also be used to promote the band nationally, and used on the WYFRS band website.

Due to the nature of the band and it's activities it is also possible and likely, that photographs of your child may be taken whilst they are with the band either performing or not.
